To whom it may concern:

Seth U. Nwosu served as an extern in my office this past summer. I am pleased to provide this recommendation.

Seth researched numerous motions, including dispositive motions, prepared draft court rulings, and produced legal memoranda. He attended numerous hearings and trials in the family and civil court. Although not required to do so by his extern program, Seth worked almost every day to gain insight into the litigation process. He participated in administrative procedures, observed both family court and civil court proceedings, and researched and wrote draft opinions in response to litigant motions filed with the Court. He was an asset to my office in researching critical legal issues and providing constructive insight on matters pending before the Court. I very much enjoyed discussing these cases with Seth back in chambers. Seth demonstrated insight to the legal strategies used by attorneys to present their cases in the most favorable light.

If you have any additional questions, comments or concerns, please feel free to contact me.

Sincerely,

Judge Thomas L. LeClaire
